CareClub Wellness Plans

As a part of your pet's annual visit, we offer and recommend annual wellness lab screening. These wellness screenings are designed to catch the early signs of disorders such as diabetes, liver disease, kidney disease, infection, inflammation, anemia and more. All of these disorders often start with no symptoms and can seriously affect your pet's health and well-being if left untreated.

VCA's new wellness plan, **CareClub**, is a convenient way to provide for your pet's preventative vaccines, wellness lab screening, and even dental cleanings in one affordable monthly payment!

Adult plans include:

5 Examinations per year
All vaccines
Wellness Bloodwork
Urinalysis
Heartworm Testing
Fecal Floatation
Giardia ELISA Testing

Senior Plans also include:

5 X-ray views (chest and abdomen)
Blood Pressure

Plus (Adult or Senior) Plans include:

Annual Professional Dental Cleaning with full-mouth digital dental X-rays included

All for a one-time enrollment fee of \$49.99, then monthly auto-drafts of the following:
